Abated taxes, levy of 1947	51 57
1951 outstanding taxes, December 31, 1951	12,279 46
1950 outstanding taxes, December 31, 1951	20 00
	<hr/>
	\$99,076 77

Every effort has been made to collect overdue taxes where there is a known ability to pay. In the matter of submitting a report to the treasurer once a month, I have not done this in every case, however. This occurred only in the months when only small payments had been forthcoming and therefore the amount collected seemed inadequate to necessitate a report. However I did make as many as three reports to the treasurer in one month, so that in all, there were twelve reports made in the fiscal year, which is all that is required. This was partly due to the fact that the 1951 bills were not sent out till October due to the late convening of the State Legislature and over which I had no control. I have sincerely tried in every way to abide by the laws, regulations and desires as set forth by the Auditor and the State Tax Commission and if I have failed to comply with any it is purely unintentional.

DUTTON COUTTS,  
Tax Collector.

## TOWN CLERK'S REPORT

	<hr/>
	\$136,606 81
Assets	18,824 39
	<hr/>
Liabilities over assets	\$117,782 42

**REPORT OF THE TOWN AUDITOR**

For the Year Ending December 31, 1951

This is to certify that I have examined the accounts and records of the Tax Collector, Town Clerk, Road Agent, Treasurer and Selectmen and find them correct and properly vouched according to the best of my knowledge and belief.

Payments are not being made to the town treasurer monthly which I have also noted in previous years. This is not my own requirement, but is required by the public laws of the State of New Hampshire.

The accounts of the Marlboro Water Commission were prepared and audited by the state Public Utilities Commission for the current year according to their Uniform Classification of Accounts for Water Utilities. I did audit the accounts of the collector of water accounts for the current year which the Public Utilities Commission did not do. I note that a performance bond has been taken out for the treasurer and collector as I have recommended previously.

OLIVER F. DERBY,  
Town Auditor.

# REPORT OF THE TRUSTEES OF TRUST FUNDS For the Calendar Year 1951 FUNDS ACCORDING TO INVESTMENTS

# FUNDS AC'CORDING TO INVESTMENTS, DECEMBER 31, 1951

## NOTES

- (1) \$200.00 LARRY E. ANDERSON CEMETERY FUND: Created March 31, 1951 by Mrs. Emma L. Anderson; the income to be used only for the annual care of lot No. 66 in Pine Grove Extension Cemetery. (Invested in Keene Co-operative Bank).
- (2) \$150.00 LOUIS BRACO CEMETERY FUND: Created June 26, 1951 by the Administrator of the Estate of Mrs. Diana Moreau (formerly Mrs. Louis Braco); the income to be used only for the annual care of lot No. 137 in Pine Grove Extension Cemetery. (Invested Keene Co-operative Bank).
- (3) \$200.00 W. H. BRIGHAM and FRANK DURKEE CEMETERY FUND: Created Dec. 6, 1951 by Mary Hackler Durkee; the income to be used only for the annual care of cemetery lot No. 1 in Pine Grove Cemetery. (Invested in Keene Co-operative Bank).
- (4) \$150.00 FRANK and ROSE DALTON CEMETERY FUND: Created by themselves on March 31, 1951; the income to be used only for the annual care of lot No. 164 in Pine Grove Extension Cemetery. (Invested Keene Co-operative Bank).
- (5) BERTHA I. and FRED D. HEMENWAY CEMETERY FUND: On August 14 1951, Fred D. Hemenway added the following shares of stock to the principal of this previously established fund:  
3 shs. Pennichuck Water Works (Cert. No. 4258)  
20 shs. The Pennsylvania Company (Cert. F 101395).
- (6) \$150.00 WALTER SANDERS CEMETERY FUND: Created by him on March 12, 1951; the income to be used only for the perpetual care of lot No. 163 in Pine Grove Extension Cemetery. (Invested in Keene Co-operative Bank).
- (7) 150.00 ORREN E. WHITNEY CEMETERY FUND: Created October 2, 1951 by Mary E. Whitney (his widow); the income to be used only for the annual care of cemetery lot No. 13 in Pine Grove Extension cemetery. (Invested in Keene Cooperative Bank).
- (8) \$17,500.00 KATE K. DAVIS MARLBORO COMMUNITY NURSING ASSOCIATION FUND: This money was bequeathed to the Marlboro Community Nursing Association, a corporation, by the late Mrs. Kate K. Davis. The Association elected the same three Town Trustees as Trustees of their Association so that the Fund could be handled by the same men. The principal was turned over to the undersigned 3 Trustees on July 2, 1951 by Philip M. Clark, Treasurer of the Association. Some of the earned interest in 1951 from the savings banks was paid direct to the association so that the reported income of \$337.50 does not represent a full year's income.

Respectfully submitted,

TRUSTEES OF TRUST FUNDS,  
TOWN OF MARLBORO, N. H.  
ROLAND A. WHITNEY,  
CLIFFORD E. RICHARDSON, SR.,  
CHARLES B. KNIGHT,  
Trustees.

## AUDITOR'S REPORT

This is to certify that I have examined the accounts of the Trustees of Trust Funds and find them correct and properly vouched to the best of my knowledge and belief.

OLIVER F. DERBY,  
Auditor.

## REPORT OF CEMETERY COMMITTEE

Lots sold	70 00
Received from trustees	1,092 62
Received from C. B. Knight for stones	10 00
<hr/>	
Total receipts	\$2,151 85

### EXPENSES

Graniteville cemetery	\$222 00
Pine Grove cemetery	447 00
Estey cemetery	49 00
East cemetery	63 00
Center cemetery	90 00
Flowers	23 50
Water rent	21 00
Perpetual care	1,039 19
Bank charges	2 60
<hr/>	
Total expenses	1,957 29
<hr/>	
Cash on hand Feb. 5, 1952	\$194 56

E. B. ROBINSON,  
ELEAZER PACKARD,  
MERWYN D. PACKARD,  
Cemetery Committee.

## MEMORIAL DAY

---

Received from Town of Marlboro	\$200 00
--------------------------------	----------

### Expenditures:

Paid for Drum Corps	\$85 00
Paid for grave markers	21 60
Paid for flags	29 25
Paid for blank ammunition	4 95
Paid for Memorial Day flowers for graves of veterans of all wars	115 25

Total expenditures	\$246 05
--------------------	----------

EMILE A. LAMBERT,  
Finance Officer,  
Croteau-Coutts Post No. 24,  
American Legion.

Attest:	ERNEST BEAUREGARD, Commander.
---------	-------------------------------

## REPORT OF FIREWARDS

---

The past year we had 29 alarms .27 stills and 2 generals. One at John Lougee's and one at Arthur Seaver's.

We bought 400 ft. of new hose and 2 lengths of suction hose for use in connecting to the new hydrants for each of the trucks.

Although the water works is not completed the hydrants are able to be used in case of fire, and the water commissioners have given us permission to use them which gives us far more protection than we ever had before.

We wish to thank everybody for their help and cooperation the past year.

FRED R. CLARK,  
ROBERT L. BENNETT,  
LEROY P. DERBY,  
ALFRED BEAUREGARD,  
Firewards.

## MARLBORO RECREATION COMMISSION REPORT

---

Balance on hand Jan. 1, 1951	\$113 23
Received from supervisor, income from fair	9 32
Appropriation	500 00
	<hr/>
Total funds available	\$622 55

### EXPENDITURES

Mar.	7	Boston & Maine R. R. freight on Philip Morris & Co. order No. 1219	\$7 10
Mar.	29	Irvin Gordon trucking, man, oil and gasoline for mixer	3 65
Mar.	30	Philip Morris Co., balance of order 1219	13 16
Apr.	19	William L. Yardley, freight and delivery of playground equipment	3 28
Apr.	21	Alden Beauregard, lighting skating pond at Stone's pond	8 00
Apr.	23	Edward Croteau, raking ballgrounds	3 00
Apr.	23	Larro, raking ballgrounds	1 50
Apr.	23	Dago, raking ballgrounds	1 50
Apr.	23	Morris raking ballgrounds	1 75
Apr.	23	Envelopes and stamps	87
May	9	Keene Sand & Gravel Inc., 6 cu. yds. loam	10 50
May	9	Ludger Beauregard's boys raking ballgrounds	3 00
May	23	Philip Morris Co., merry-go-round	111 50
July	9	Charles Beauregard & Sons, Inc., 2¼ hrs. trucking, Apr. 30	6 75

July	9	William L. Yardley, freight bill	19 00
July	19	Ludger Beauregard, mower, grass seed and lime	32 20
July	28	Mrs. Irene Ward, asst. super- visor, July 23-27	20 00
July	28	Alfred Thomas, supervisor, July 23-27	30 00
Aug.	4	Philip Morris Co., additional cost of merry-go-round	29 85
Aug.	4	Mrs. Irene Ward, asst. super- visor, July 30-Aug. 3	20 00
Aug.	4	Alfred Thomas, supervisor, July 30-Aug. 3.	30 00
Aug.	11	Alfred Thomas, supervisor, Aug. 6-10	30 00
Aug.	11	Mrs. Irene Ward, asst. supervi- sor, Aug. 6-10	20 00
Aug.	18	Mrs. Irene Ward, asst. super- visor, Aug. 13-17	20 00
Aug.	18	Alfred Thomas, supervisor, Aug. 13-17	30 00
Dec.	20	Donald Beauregard, mowing ballground	15 00
Dec.	20	Robert Capron, mowing ball- ground	25 00
Total expenditures			490 99
Balance on hand Dec. 31, 1951			\$125 94

Respectfully submitted,

FRANK ROBINSON,

Treasurer.

## REPORT OF PLAYGROUND SUPERVISOR

---

Marlboro Playground opened July 23, and continued for four weeks with a morning and afternoon session; 10-12 and 1-4 o'clock, at the high school playground.

A day's schedule consisted of volley ball, softball, badminton, outdoor basketball, deck tennis, horseshoes, quiet games and a great deal of attention was given to the new slide and merry-go-round that was purchased and installed this season.

Much enjoyment is obtained during the school year from the equipment which remains on the school grounds.

Through the co-operation of Dr. Paul of Troy, the playground children were able to use the Troy swimming facilities. Transportation was furnished by Mr. George Proctor. Troy has extended this invitation to us for next season.

Other special activities consisted of picnic and swimming at Swanzy Lake and the final activity, a country fair at the school grounds which was very successful. Local merchants generously contributed many prizes, and free ice cream was given to all. Various booths were operated by playground members, a hat style show was one of the highlights of the day and numerous other contests took place.

This year we were ably assisted by Mrs. Kenneth Ward as assistant supervisor; also, I wish to thank parents and friends for their time and transportation. Many thanks to the playground commission for their sincere co-operation.

Respectfully submitted,  
ALFRED THOMAS,  
Playground Supervisor.

## REPORT OF POLICE DEPARTMENT FOR 1951

---

During the past year the Police Department received 104 complaints of various natures.

We had 12 accidents. The Department made 3 arrests during the year. The Police have stopped more cars this year and have found a number of drivers without licenses. Much work was done on traffic violators, who speed through town, and do not know that there is a twenty-five mile zone. There was a small amount of juvenile delinquency this year.

Please drive careful and protect the lives of others as well as your own.

There are two regular Police and 5 Special Police that can be used as auxiliary police in Civilian Defense.

Respectfully submitted,

ERNEST F. THOIN,

Chief of Police.

## REPORT OF THE MARLBORO WATER WORKS

We respectfully submit to the citizens of the town of Marlboro the following report, which gives some of the historical facts relating to the construction of the town's water system.

Previous to 1951 the Town of Marlboro, New Hampshire had water service only from a system of small wrought iron and steel pipes conveying spring water from the hillsides above the town. This "System" was formed by the tying together of several small private spring water systems served by separate springs. No fire protection, except by pumping from the Minnewawa river was available.

Early in 1951 Mr. P. A. Shaw was employed to make preliminary plans and estimates of costs for a water system capable of furnishing both fire protection and domestic water service. This system was to replace gradually the spring water system.

The Consulting Engineer recommended a supply from a gravel-packed well, cement lined cast iron pipe and a storage reservoir to provide the large flows required for fire protection.

A public meeting was held and plans for a new water system thoroughly discussed. The Town decided at the Town meeting of March 1951 to proceed to build a new water system and to bond the town to supply funds for that purpose. Complete cooperation was given the Water Board by the Selectmen and it was decided that it was the function of the Water Board to carry out the construction plans.

Mr. Shaw of Manchester, the Consulting Engineer and his associate, Mr. C. E. Ferry, were requested to prepare construction plans, specifications and bid forms preparatory to getting bids on the work of building the water system. It was decided that the town would purchase and furnish to the Contractor the materials to be used.

The entire project was in strict compliance with the requirements of the State Board of Health, and of the New Hampshire Board of Fire Underwriters. The project also had the full cooperation and advice of Mr. E. H. Hunter, member of the Public Utilities Commission.

The Bonds, provision for their sale, and the Contract documents were approved by the town's attorney, Mr. Philip Faulkner, Esq. of Keene, N. H.

Bonds were sold to the amount of \$120,000 to pay for the purchase of the old small pipe system from the private owners (\$20,000) and for the new works (\$100,000).

Bids were received for the construction of the pipe system on July 21, 1951 and the contract awarded to Mr. W. C. Ferguson, of Keene, the low bidder.

The contract for drilling of the gravel-packed well and its equipment was awarded to the Layne-New York Company who had made the original well investigations. The house over the well was built by T. H. Bergeron, the low bidder on this work.

Reservoirs of steel and concrete both were considered. The delivery of steel was found to be at a distant and uncertain date and it was decided to build a Gunitite concrete tank. This tank was to be located on Pleasant Street at an elevation sufficiently high to give as good pressure as possible in the higher parts of town without creating excessive pressure on the lower sections. A location giving approximately 100 pounds per square inch at the Fire House was decided upon.

As soon as materials were on the job, Mr. Ferguson, the contractor, began work on the pipe system and carried it through to rapid completion. Mr. Ralph A. Pierce was employed to inspect the work and his long acquaintance with the town and with the old pipe systems proved very valuable. After the contract was started the State Highway Department insisted on asphalt resurfacing, even though the existing paving was oiled gravel. This caused a considerable increase in the cost of the job.

The new pipe line was completely sterilized, under direct supervision of the New Hampshire State Health Department, before it was used to carry the domestic water.

Plans showing the location and size of mains, the connections to the old system and the location of valves and hydrants are on file with the Water Commission.

Due to difficulty in getting material on the job, the Reservoir Contractor—the Cement Gun Company of Allentown, Pennsylvania was late in getting started. The weather finally became so bad that work on the reservoir had to be suspended until spring. The tank foundation was prepared by the Town Highway Road Agent, Orville Wyman. Excessive rainfall raised the ground water at the site close to the surface which required an excessive amount of preparation and extra cost for the foundation.

The reservoir floor and the inner shell of the walls and the roof are in place. The outside coating of Gunitite for the walls will be placed early in the spring. After testing, the reservoir will be backfilled and covered.

In spite of increased costs of tank foundation, extra ledge excavation and street paving, the cost of the entire job will not exceed the estimate and sum borrowed, by more than \$1,000.

The Water Commissioners wish to take this opportunity to express their appreciation to the citizens of the Town for their cooperation, and for their apparent understanding of conditions which existed during the construction period.

The Commission also wishes to express appreciation for the Town to those people who gave their permission to install hydrants on their property.

RAY E. TARBOX, Chairman,  
CLARENCE P. BEAUREGARD, Treasurer,  
ORVILLE WYMAN, Water Commissioner.  
Water Commissioners of the Town of Marlboro.

## LIBRARIAN'S ANNUAL REPORT

---

To the President and trustees of Frost Free Library the librarian submits the report for the year Oct. 1, 1950 to Oct. 1, 1951:

The library has been open 102 days. Circulation of books was 7,567. Of this number 289 were juvenile non-fiction; 776 adult non-fiction; 3,583 juvenile fiction; 2,919 adult fiction. Circulation of magazines was 2,799 besides those used at the reading table.

235 new books have been added. This number does not include the pocket editions and some other books not cataloged. Many books have been given by residents of Marlboro and by Mrs. M. G. Malicheff of Dublin. We are grateful to all donors. We have enjoyed a brisk exchange of pocket editions, all of which have been given. 30 juvenile books were borrowed from the state library in the summer. No reading contest was held as the children were busy with vacation school and playground. We lent 20 books for use at the playground. A few state library books have been borrowed on individual request and Ruth Hemenway has been very generous to lend her books.

This year we added the magazine Newsweek and Wilson's abridged guide, chiefly for use of the school.

I wish to thank the trustees, the custodian of the library, and the teachers and pupils and other patrons for their co-operation.

### REPORT OF HEALTH OFFICER

---

There were no serious epidemics of communicable disease during the past year, and none requiring special control measures.

Several complaints were received and investigated and measures taken to remedy them. As usual, these were mostly problems in sanitation and should repeatedly show the need for a decent sewerage system.

PERCY C. McINTIRE, M. D.

## MARLBORO COMMUNITY NURSING ASSOCIATION

Annual Report of Marlboro Town Nurse  
Jan. 1, 1951 to Jan. 1, 1952

---

During the past year a total of 835 calls were made or an increase of 130 calls over last year's total. Of these 469 were \$1.00 calls, 228 were 50 cent calls and 98 were free calls. 26 other calls were at \$1.50 each and 2 at \$1.20 each. These last two cases included, "sitting" as temporary relief to the regular nurse of a patient too ill to be left alone, and care of a mother and new born baby.

We had two home deliveries; one in May, the other in November. One blood transfusion was given in the patient's home and attended by the nurse.

17 trips were made with patients to Keene to the hospital, or doctor or dentists' offices and 7 trips were made with patients to the doctor's office in Troy.

Approximately \$577.53 was collected, leaving a total of \$49.35 uncollected.

Early in the year calls were made with Dr. McIntire for physical exams of the Sullivan, East Sullivan, Nelson, and Harrisville schools.

I should like to call to your attention that we have received notices of termination of the nursing services offered to policy holders of both Metropolitan Life Ins. Co. and John Hancock Life Ins. Co. Effective date is June 30, 1953. Many families will be sorry to see this service terminated.

I shall take this opportunity to thank you all for your generous contributions of clothing since our cold weather incident in the elementary school, and to remind you that many times your child's outgrown clothes are a God send to some less fortunate child. Especially warm outside clothes, ski pants and jackets, mittens and foot wear.

Thank you all for the splended spirit and cooperation you have given me both in the district work and in our school.

Respectfully submitted,  
MRS. MARGARET FORD,  
District Nurse.

---

**THE STATE OF NEW HAMPSHIRE**

---

**(SCHOOL WARRANT)**

To the Inhabitants of the School district in the town of Marlboro qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 11th day of March 1952, at 2 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district; and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization funds, together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see what action the district will take to raise and appropriate the sum of three thousand five hundred (\$3,500) dollars for necessary repairs and replacements in the schools.

10. To see what action the district will take to continue the cooperative school study, to choose a committee for this study and to authorize carrying over the unexpended balance of funds previously appropriated for this study and for the local school needs.

11. To take up any other business which may legally come before this meeting.

Given under our hands at said Marlboro this 1st day of February 1952.

RAY TARBOX, Chairman.  
CLIFFORD RICHARDSON, Secty.  
ALDEN BEAUREGARD,

School Board.

A true copy of Warrant—Attest:

RAY TARBOX, Chairman.

Total receipts during year		<hr/> \$44,612 35

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

The educational program in the Marlboro school has been strengthened materially during the past year by the addition of a regular program of instruction in home economics, fine art, and high school shop. While the three R's are still the basis of any good program of public education; in the world of today this must be supplemented by sound training in social studies, science and practical arts.

The day has passed too, when our high school can offer only a college preparatory course, for today 20% of the pupils go to college but 80% enter non-college fields. Marlboro High School now sends a larger percent of its pupils to college than any of the small schools in this area but still cannot afford to neglect to train those pupils who do not intend to go to college. In moving toward this latter objective, we have purchased additional equipment for the commercial department, for home economics and for shop.

There are still many unsolved educational problems in Marlboro. Despite an \$8,000 increase in state aid, the local school assessment continues to rise. This is not too remarkable when it is realized that the cost of textbooks have advanced 95% in the past few years and other school items have increased in proportion. The school building is old and needs an average yearly expenditure of several thousand dollars to keep it in repair and gradually improve its condition. An additional classroom would be of real value at the present time and extra space is needed for shop expansion, and a school library. The time may not be too far distant when increased enrollment will make a building program absolutely necessary.

Several solutions suggest themselves to the problem of inadequate school housing facilities. Our high school pupils could all attend school in Keene at an annual cost of about \$24,000; We could build an addition or consider a cooperative high

school. At the present time, a committee of local citizens is working with other town groups to study the question of a consolidated high school in this area. This study is incomplete and will take at least another year to develop the facts needed.

The salaries of Marlboro teachers have increased satisfactorily in the past few years but we still find ourselves somewhat below the state average for communities of this size and wealth. Efforts should be continued to meet the state average if we are to be able to hold good teachers in the community. A good teaching staff is the foundation of a good school system and Marlboro is fortunate to have been able to retain good teachers and attract desirable new teachers.

The future suggests that we continue to work for increased state support for schools; this state is now last among the 48 states in supporting its schools from the state level. At the same time, every effort must be made to improve our own local schools to the best of our ability.

C. L. BOWLBY,  
Supt. of Schools.

### REPORT OF THE MUSIC SUPERVISOR

---

I herein submit my report concerning the elementary music program in the school. The aim of the music program is to develop a love and appreciation of good music and the desire to participate spontaneously in group work, both vocal and instrumental. A comprehensive course is given, starting with rote singing in the first grade and covering the prescribed fundamentals in each grade through the eighth. An opportunity is given for each pupil to play in a rhythm band in the lower grades and in a tonette band in the intermediate grades. Folk dancing also is part of the music program as well as is music appreciation.

An operetta was presented at the Town Hall which included the pupils from grades 1 to 6, at which there was a large and appreciative audience. The fifth grade presented a half hour of music at one of the meetings of the Parent-Teacher association. Programs of this type are planned for future dates during the present school year.

The pupils are enthusiastic and appreciative of all phases of the music program. I find the record library available in the Union office, to be of real benefit to the pupils of the schools.

Sincerely,

AZALEA WILSON,

Elementary Music Supervisor.

## REPORT OF PRINCIPAL OF MARLBORO SCHOOLS

---

Mr. Charles L. Bowlby, Superintendent of Schools,  
Marlboro, New Hampshire.

I am submitting herewith my ninth annual report as Principal of the Marlboro schools.

### ENROLLMENT

School opened in September with an enrollment of 298 pupils in grades 1-12. This was an increase of a few pupils over the figures for September 1950. I am including a table to show the enrollment by grade and sex in the junior and senior high school. It shows a total of 115 pupils which is exactly the same as on opening day the year before. Since September two pupils have left school and three additional ones have enrolled.

	Boys	Girls	Total
Grade 7	11	11	22
Grade 8	10	13	23
	—	—	—
Total	21	24	45
Grade 9	4	12	16
Grade 10	11	9	20
Grade 11	7	15	22
Grade 12	5	6	11
	—	—	—
Total	27	42	69

Special students: 1.

I am in close touch with all the pupils and I do not foresee any reasons for loss of pupils during the rest of the year.

### SCHOLARSHIP AND ATTENDANCE

The mental ability of our pupils compares favorably with that of pupils everywhere with very few possessing an I. Q.

below 100. This would indicate that scholarship should be good. It appears that most of the pupils are working close to their capacity while a few could do better with more home study. The work of the school is definitely set up so that all pupils should be doing some studying outside of school hours.

The attendance has been good with our record still above the state average. All questionable absence is chargeable to a very few pupils. In two or three instances the attitude of the home is poor. All pupils are required to bring an excuse for absence upon their return to school. This is standard procedure in good school systems and serves as a protection to the pupil. Most parents seem to appreciate our efforts to protect their children and cooperate cheerfully.

#### STAFF

We are still fortunate in having retained so many of our capable and experienced teachers and to have added other well qualified persons. Mr. Achille Joyal who replaced Miss Emond has had considerable experience in school work and is teaching all subjects which she had been assigned. Work in the elementary grades is progressing well. Miss Patricia Lee in grade five and Mr. Jerome Rogers in grade six have both shown that they are well trained and are carrying on the work effectively. I believe that our teachers are doing an excellent job in carrying out an educational program which satisfactorily adjusts our more or less traditional pattern toward some of the more modern trends. All of our teachers have taken some steps to improve their work by taking summer courses or extension work recently.

#### EXTENSION OF PROGRAM

The attempt which we made this year to broaden our offerings has worked out well. Mr. Nash had proven his ability to us last year in his work with junior high and the new course in high school shop with an enrollment of ten boys has tended to meet the needs of these pupils.

Miss Hazel Stone has made a good start with our first group of girls in high school home economics and is offering

a unit in clothing. This class like the shop class is composed of ninth and tenth grade pupils. I hope that more time will be available next year from Miss Stone and Mr. Nash so that more of this type of work can be offered.

The newly instituted art program is being capably directed by Mrs. Rose Land. Our pupils have come to see art in a different light and are doing some fine creative work when we consider that this is an entirely new field for them. Many of them have discovered ability which they did not realize they possessed. This program will be continued on substantially the same basis.

The experimental work which we conducted in remedial reading last spring proved to be worthwhile and I hope that present plans to have a more completely organized program next year can be carried out. This problem of reading difficulty is not confined to the Marlboro schools but is one of the big problems in education today everywhere.

#### SPECIAL ACTIVITIES

Our usual number of social, musical and dramatic events have been conducted by the respective groups. The high school chorus and the orchestra have made several appearances and successful operettas have been staged by both the elementary and secondary groups. The annual senior play was successfully staged in November.

Several projects for raising class funds have been carried on, always with the approval of the school and under the direction of class advisors.

Our attempts to get a library started have finally borne fruit and we now have about two hundred volumes. These books are being widely read by the pupils. The PTA contributed toward the purchase of some of these and some have been donated in addition to those purchased from school funds.

#### CLASS OF 1951

The fourteen members of this class had a good record and nearly half of them are continuing their education. Members of the group which graduated from the commercial course are

all placed in positions as we get numerous calls for office workers. I believe that the placement of our graduates in advanced training and in gainful employment indicates that their needs are being met.

Activities of Commencement Week began with the Baccalaureate Service on Sunday, June 10.

### PROGRAM

Processional	Class of 1951
"Pomp and Circumstance"	Elgar
The Orchestra	
Invocation	Rev. Raymond G. Putnam
Hymn	The Congregation

Decorations by Class of 1952

## CLASS OF 1955

For the second year the exercises of promotion for the eighth grade followed a little less formal plan than formerly. No honor parts were assigned but all members participated

in some manner following which diplomas were presented by Mr. Alden Beauregard, representing the School Board. The following pupils were promoted:

Anne Beauregard	Richard Hiiva
David Belluscio	Catherine Martin
Barbara Blair	Margery Porter
Carole Clark	Joyce Shattuck
Justine Cote	Shirley Shattuck
David DeLisle	Gordon Smith
Elizabeth Demerse	James Stoodley
Virginia Gibbs	Joyce Tardiff

### ATHLETICS

Our athletic program has been continued on the same basis as in the past. We are faced with steadily improving competition as schools with whom we compete improve their facilities and increase their staffs. Many schools have full time physical education programs in which all pupils are required to participate and this training soon becomes evident in their athletic teams. We are probably not in a position to do much about this at the present time.

Last year's baseball team had a good record and the school won its first Monadnock League championship in many years. The team was coached by Alfred Croteau who was serving us as a cadet teacher. He demonstrated his ability as a coach with his record.

Our present basketball squads are having satisfactory seasons when consideration is given to the size of the schools with which we compete and to their personnel and facility advantages.

Mr. Rogers is working with the junior high school squads.

### CONCLUSION

I have continued to enjoy my work in this school and wish to thank all of my staff for their cooperation. It is gratifying also to work where conditions are pleasant and where

the School Board and Superintendent have confidence in one's ability to direct a program of educational work.

Respectfully,  
 IRVIN H. GORDON,  
 Principal.

January 31, 1952.

---

### **REPORT OF LUNCH PROGRAM SUPERVISOR**

---

The lunch program didn't start the second week of school as it has in the past years for the lunch room was undergoing minor repairs. The plan was to level the floor and lay tile, paint the ceiling and walls, build several small cupboards and put a petition up between the kitchen area and dining room. Because of exhausted funds we were unable to build cupboards or the petition but the idea is being kept in mind for another year. Such a plan would leave the dining room free for other activities or classes before and after the noon hour.

We say thanks again to Mr. Bowlby and Mr. Gordon who so generously gave their time to help paint the lunch room and lay the tile. It is their undying interest and enthusiasm that has made the program a growing success.

We were able to purchase a much needed mixer which has saved us much time and enables us to serve better meals at the usual low cost. Five dozen plastic plates were bought to replace broken earthen plates of last year. The apple boxes were sold this fall and the money was used to buy two dozen soup bowls which match the new plates. It is hoped to be able to complete the set by the end of the year.

It has been suggested by our state supervisor of school lunches that we consider buying a commercial type gas range and a three compartment sink for another year.

The Art Department has been most cooperative in decorating our room for the holidays. They also are giving thought to painting place mats on the tables with interesting rhymes and designs on each. This we believe would help the seating problem.

The program has received from the United States Department of Agriculture since September the following foods: Canned peas, canned green cut beans, concentrated orange juice, peanut butter, dry navy beans, dry egg powder, dry milk powder, canned sour cherries, canned peaches, canned tomatoes, honey, dried prunes, American cheese, fresh apples and tomato puree, to a total value of \$800.

Having to open the program to the High School we found it necessary to employ another full time worker, preferably a cook. Thus making it possible for me to relieve Mr. Gordon of the bookkeeping for the program. Mrs. Charles Porter is doing a fine job. We're happy to have her with us.

Our thanks goes to all who have helped make this a most successful year.

Respectfully submitted,  
MRS. CECIL B. NASH,  
School Lunch Supervisor.

---

## REPORT OF THE HIGH SCHOOL DIRECTOR OF MUSIC

---

Last June, an invitation was extended by the Student-Faculty assembly committee of Keene Teachers College to present the Marlboro High School Chorus as a portion of their Christmas assembly program. This invitation was quickly accepted.

This assembly program which was presented on Dec. 10th., created problems, notably, of extra rehearsals and when to schedule them. The final decision evolved into having weekly rehearsals during the summer months. Consequently, rehearsals were held during the months of July and August with very gratifying results. The accomplishments derived from these rehearsals enabled the High school chorus to present a notable program of sacred music to the entire student body of K. T. C. The chorus was very well received and a return engagement was promptly offered and acknowledged.

Prior to this choral program, the chorus presented a number of selections in conjunction with the dramatic department's presentation of the Senior play.

It is hoped that other opportunities to sing sacred and secular music will be forth-coming during the remainder of the year.

The orchestra has made several appearances this year so far and other opportunities will arise before the end of the school year. This year, a set of orchestral bells has been added which lends considerable tone color.

It is hoped that during the remainder of the school year a junior high school chorus can be developed with appropriate opportunities to sing in public.

The over-all objectives of any music program is the development of and appreciation for, good music. With the ever-increasing importance focused upon individual differences among students, it is hoped that this program lends itself in no small measure to these ideals.

Respectfully submitted,  
 CECIL B. NASH,  
 Marlboro High School.  
 Director of music,

---

## REPORT OF THE SUPERVISOR OF ART EDUCATION

---

Art expression is a graphic indication of individual growth and helps children to learn to think out their problems logically. No picture, no matter how youthfully simple, was ever produced without vision, imagination, analysis, persistence to see it done and at last the deep, happy sense of accomplishment. It is only with repeated accomplishment that every child attains the dignity of, and the pride in, his very own personality.

Art expression is impossible without sincerity. Even the simplest drawing by a first grader is a search for truth—an honest expression of the world as it looks to the young child. It is through the arts that vision is developed, that cooperation

with, and appreciation for, other human beings and nature, is learned.

In teaching the many phases of art, we work to develop the critical eye, and the analytical mind. We seek problems to challenge ingenuity and inventiveness and yet encourage and inspire the children. As time goes on, we hope that the art department will prove useful to every area of school and community life.

Below are listed the various techniques introduced this year to the school pupils from grade one through high school.

Charcoal drawing	Panel decoration
Soap Carving	Poster design
Clay modelling	Linoleum block printing
Papier mache	Wire jewelry
Watercolor	Stencil
Tempera	Color study
Fingerpainting	Elements of design

In conclusion, we may state that art is perhaps the most enjoyable hand work in education and has a character building element which offers a sound basis for the joy of living.

ROSE VESELAK LAND,  
Art Supervisor.

## THE STATE OF NEW HAMPSHIRE

### TOWN WARRANT

To the Inhabitants of the Town of Marlboro in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Marlboro on Tuesday, the eleventh day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

1A. To choose delegates to the National Conventions.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see what sum of money the Town will raise for repairs and construction of sidewalks or act in any manner relating thereto.

4. To see if the Town will raise a sum of money for repairs, water storage, equipment, supplies and other expenses of the Fire Department.

5. To see what sum of money the Town will raise for Electric Lights.

6. To see if the Town will raise the sum of \$1,800.00 to aid the Community Nursing Association or act in any manner relating thereto.

7. To see what sum of money the Town will raise for Memorial Day.

8. To see what sum of money the Town will vote for the purchase of tar for highways or act in any manner relating thereto.

9. To see if the Town will vote to accept State Aid on Class V roads, raise and appropriate the sum of \$484.16, the State to give \$3,227.75.

10. To see if the town will vote to paint the town tool shed, raise and appropriate a sum not to exceed \$500, or act in any manner relating thereto.

11. To see what action the town will take in regard to installing a central heating system and shower facilities in the town hall, raise and appropriate a sum of money for same or act in any manner relating thereto.

12. To see if the town will raise and appropriate a sum of money for the purchase of new equipment for the highway department, or act in any manner relating thereto.

13. To see if the Town will vote to raise and appropriate the sum of \$158.00 (1/100th of 1% of the valuation of the Town) to the Monadnock Region Association of Southern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the Town, in cooperation with the other thirty-seven towns of the Monadnock Region.

14. To see if the Town of Marlboro will vote to raise and appropriate the sum of \$300.00 to be paid to the Federated Church of Marlboro for the cost of heating and janitor service for the Youth Center when utilized by the following youth groups of our community under adult supervision: Boy Scouts, Girl Scouts, Cub Scouts, Brownies, Catholic Youth Organization, and 4-H groups.

15. To see if the Town will vote to raise the sum of \$800.00 to help maintain the Frost Free Library or act in any manner relating thereto.

16. To see if the Town will raise and appropriate a sum of money to dredge Robbins Brook, beginning near the residence of John Allen and continuing to the main river.

17. To see if the Town will vote to raise and appropriate \$900 to aid the Elliot Community Hospital.

18. To see what sum of money the Town will vote to raise and appropriate to support the program sponsored by the Recreation Commission.

19. To see if the Town will raise and appropriate the sum of \$300 for the support of the Civil Defense Program.

20. To see if the Town will vote to raise and appropriate, for hydrant service, the sum of \$3,125.00, this being \$125.00 per hydrant, said sum to be included as a regular town charge expense in the future.

21. To see if the Town, for the purpose of paying any indebtedness that may be incurred in the connection with the Town Water System, will vote to authorize the Selectmen to borrow on the credit of the Town, a sum not to exceed \$2,000 at such rates of Interest and payable when as they shall determine. Said note or notes payable on or before ten years from date. These notes shall be paid from the income from the Water System.

22. To see if the Town will vote to accept the sums for perpetual care of Cemetery lots received since January 1, 1951.

23. To see if the Town will authorize the Selectmen to borrow on the credit of the Town in anticipation of taxes.

24. To see if the Town will authorize the Selectmen to administer or dispose of any Real Estate acquired by the Town through Collectors' deeds.

25. To hear reports of Town Agents or Committees or other officers heretofore chosen or appointed and pass any vote relating thereto.

26. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this sixteenth day of February, in the year of our Lord nineteen hundred and fifty-two.

WALTER E. BUCKMINSTER,

WALLACE B. OLIVER,

CHARLES T. RICHARDSON,

Selectmen of Marlboro.

## BUDGET, TOWN OF MARLBORO

ESTIMATES OF REVENUE AND EXPENDITURES FOR  
THE ENSUING YEAR, DEC. 31, 1951 TO DEC. 31, 1952  
COMPARED WITH  
ACTUAL REVENUE AND EXPENDITURES OF THE PRE-  
VIOUS YEAR, DEC. 31, 1950 TO DEC. 31, 1951
